YOUR PASSPORT TO STAMPING

the crafter's ADHESIVE QUICK GUIDE

A one-page reference for choosing the right adhesive every time.

IF YOU'RE MAKING...	USE THIS	BEST FOR
Putting layers together	 STAMPIN' SEAL	Everyday card making and general use
Making heavy cards or projects	 STAMPIN' SEAL+	Extra strong hold for heavier layers and dimensional pieces
Adding small embellishments	 MINI GLUE DOTS	Tiny accents, gems, sequins and small embellishments
Raising layers and elements	 DIMENSIONALS	Creates instant depth and dimension
Building boxes, bags & treat holders	 TEAR & TAPE ADHESIVE	Super strong, double-sided adhesive for maximum hold
Glues for paper, ribbon & more	 MULTI-PURPOSE LIQUID GLUE	Versatile adhesive with wiggle room for positioning
Tiny pieces & delicate details	 FINE-TIP GLUE PEN	Precision application for small pieces and detailed projects
Intricate die cuts & delicate pieces	 ADHESIVE SHEETS	Full coverage adhesive with no mess
Shaker cards & even dimension	 FOAM STRIPS	Creates even, raised edges for shaker cards and more

Pro Tip

Match the weight of what you're sticking to the strength of your adhesive.

The heavier the project, the stronger the adhesive you need.
