- Fold the Golden Glow card base at the score line. Position the fold at the top.

- Adhere the gingham DSP across the center of the embossed layer.
- Stamp the greeting from Scalloped Blooms in Early Espresso on the right side of the smaller Basic White panel. Adhere to the Golden Glow mat, then center on the card front.
- Stamp the sunflowers and leaves on Basic White scraps in Memento ink.
- Die cut the flowers and leaves with the coordinating dies.
- Color with Blends, using the photo as a guide. Arrange on the left side of the panel and adhere, using Stampin' Dimensionals behind the flowers.
